ORACLE®

CERTIFICATION PROGRAM

Examination Score Report
Jin Xu
Oracle Testing ID: OC1866657
1Z0-819-J Java SE 11 Developer

Exam Date: 2021/4/6
Registration: 394128861
Center ID: 81112

Your Score: 82%	**Passing Score:** 68%	**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Deploy and execute modular applications, including automatic modules
- Develop thread-safe code, using different locking mechanisms and java.util.concurrent API
- Implement Localization using Locale, resource bundles, and Java APIs to parse and format messages, dates, and numbers
- Perform decomposition and reduction, including grouping and partitioning on sequential and parallel streams
- Secure resource access including filesystems, manage policies and execute privileged code
- Use primitives and wrapper classes, including, operators, parentheses, type promotion and casting

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
  - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
  - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
  - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
